

Coolants & screenwash - Screenwash

Eurol Screenwash Concentrate

Strong cleaning capability, prevents windshield washer system freezing

Description

Eurol Screenwash Concentrate prevents the windshield washer system from freezing and is an excellent cleaner for dirty windshield, leaving a fresh lemon smell after use.

Eurol Screenwash Concentrate is safe for polycarbonate windshield and dries without leaving smeary stripes. Moreover, the product is non-corrosive, not harmful or irritating and has a flash point of $>23\text{ }^{\circ}\text{C}$ so it can be applied safely.

Eurol Screenwash Concentrate provides a smooth running of the windshield wipers without wiper chatter. Rubbers, paints and polycarbonate are not affected by this windshield washer fluid.

Eurol Screenwash Concentrate is based on ethanol and is not irritating.
